

## GENERAL ASSUMPTION OF THE RISK AND WAIVER OF LIABILITY

By allowing yourself and/or a child in your care to participate in activities hosted by, sponsored by, and or taking place at Florida Keys Healthy Start Coalition (hereinafter "COALITION"), the parent or guardian, or authorized representative thereof (hereinafter "PARENT") agrees to the following terms, general waiver of liability, assumption of risk, and indemnification outlined below.

The PARENT is aware that activities may include but are not limited to participating in activities which involve singing, dancing, gross motor movement, craft supplies, climbing structures, balls, toys. Even when precaution has been taken to avoid any injuries, any time a child participates in any physical activity, there is a change of injury and parents/guardians should be aware of this fact. The PARENT also agrees that while our toys and equipment are all rated as safe when used appropriately by children ages 0-5 years old, it is the parent/guardian's responsibility to supervise their child/children at all times while in the play space, and to use their own judgment regarding each child's abilities and which activities and equipment are safe and appropriate for his/her abilities and limitations. The PARENT agrees not to hold the Coalition or any of its instructors, landlords, institutions, volunteers, vendors and/or centers liable for any injury or damage which may occur during the child/children's attendance at a Coalition activity and/or event.

To the extent permitted by law, PARENT hereby agrees to release and covenants not to sue, and to hold harmless the Coalition and its members, managers, employees, contractors and agents, along with other participants and guests, from any and all liability, actions, causes of actions, claims, expenses, and damages, on account of illness or injury to the PARENT and family members, including their children, or any of their property which such person(s) now has or may have in the future in connection with participation in any activities associated in any way with the Coalition.

## COVID-19 (CORONAVIRUS) ASSUMPTION OF RISK AND WAIVER OF LIABILITY

Coronavirus (COVID-19) has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and believed to be spread from person to person contact. As a result, federal, state and local governments, as well as federal and state health agencies recommend social distancing. The Florida Keys Healthy Start Coalition has put preventative measures in place to reduce the spread of COVID-19. As such, the Coalition cannot guarantee that you or your child(ren) will not become infected with COVID-19. Attending a Coalition playgroup may increase your risk and child(ren)'s risk of contracting COVID-19.

By signing this waiver, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19. I acknowledge that by me and my child(ren) attending a Coalition program/playgroup, such exposure or infection to COVID-19 may result in personal injury, infection, illness, permanent disability, or loss of life. On my behalf and my child(ren)'s behalf, I hereby release, covenant not to sue, discharge and hold harmless the Florida Keys Healthy Start Coalition, its employees, agents, representatives and vendors from any claims, including liabilities, causes of action, damages, costs or expenses of any kind arising from or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions or negligence of the Coalition's employees, agents, representatives and vendors whether a COVID-19 infection occurs before, during or after participation in any of the Coalition's programs.
